Who We are:

Established in 2025, **ReParts- Auto Parts Reuse Association** is Ireland's dedicated association for promoting the reuse of auto parts. With a potential membership of businesses nationwide, ReParts aims to strengthen industry collaboration.

ReParts is committed to building a strong, unified voice for Ireland's auto parts reuse industry, promoting best practices and supporting a circular economy.

The aim is for ReParts to be recognised by the Government and relevant agencies as the representative voice of the auto parts reuse industry in Ireland. ReParts will advocate for the sector by providing industry perspectives on future policy and legislation.

ReParts is governed by a Board of Directors responsible for overseeing the affairs of the Association. Day-to-day operations are managed by a consultancy that specialises in supporting environmental trade associations.

What We Do:

1. Represent

ReParts actively engages key stakeholders that affect our industry such as the Department of Climate, Energy & Environment on the reuse of auto parts

2. Communicate

- Our quarterly newsletter keeps members and key government bodies informed about the latest industry developments, including updates on government policy, regulations, and relevant reports.
- Members receive regular email bulletins with news and important updates.
- Our website, www.reparts.ie, showcases our members and promotes their services to a wider audience

3. Offer Membership Benefits

- Insurance Scheme
- Online meetings for members
- Annual members dinner & Networking Event
- ReParts certificate and window stickers for display
- Training courses

Who can become a member?

Any Authorised Treatment Facility business involved in the reuse and reselling of auto parts in Ireland can become a member. Businesses that are recycling auto parts can also become a member but will have no voting rights in the association.

Fee:

It is free to join ReParts in 2025. In January 2026 the annual subscription will be €300 plus vat.
